

MARCH 25-26 2020 | THE HAGUE, NL

INSIDER RISK MANAGEMENT PUBLIC & PRIVATE SECTOR

EUROPE MASTERCLASS 2020

DID YOU KNOW...

80% of all people who committed data theft were already already under official supervision for concerning behaviours. We believe prevention and early intervention through the use of our Signpost Six Insider Risk Management methodology is key!

LEARNING GOALS

UNDERSTAND the Insider Risk activity spectrum and early signs of threats.

GAIN a holistic view of Insider Risk Management.

EMPLOY concrete tools to assess your organisation's Insider Risk Maturity.

IMPLEMENT a roadmap of actions within your organisation.
