

# WORKSHOPS & TRAINING

 Signpost Six  [www.signpostsix.com](http://www.signpostsix.com)

## ABOUT US

Signpost Six is the leading firm focusing on insider risk. We secure employees and organisations through a holistic approach towards insider risk management vested in the best practices from across the globe. With our team of experts, we implement tailored solutions addressing every organisation's unique security challenges.

## WHY CHOOSE US

-  The first and only specialised insider risk firm in Europe, with global reach
-  A human-centred approach
-  Extensive niche expertise
-  Customised Solutions tailored to clients needs

## WHAT IS INSIDER RISK?

Insider risk refers to the potential for employees, contractors, or other trusted individuals within an organisation to intentionally or unintentionally cause harm, such as data theft, sabotage, or fraud. This risk stems from their authorised access to sensitive information, systems, or assets. Effective insider risk management combines proactive measures and employee training to safeguard the organisation's resources and reputation.

## WORKSHOPS & TRAINING SOLUTIONS

At Signpost Six, we understand the diverse needs of organisations when it comes to addressing insider risks. That is why we offer a comprehensive range of academy solutions tailored to meet the unique requirements of each client. Our goal is to help you safeguard your critical assets, reputation, and business continuity by effectively mitigating insider threats. Through our three insider risk academy pillars; **E-learning**, **Simulation**, and **Workshops & Training**, we enhance organisation's awareness and resilience.

### E-Learnings

Off the shelf, tailor made e-learning material, including a 25 minute long E-learning program, a 15 hour Insider Risk Management training with certification, and an 8 hour Analyst training with certification.

### Simulations

We offer Team oriented exercises simulating real-life insider risk management scenarios. Put your team through this stress test and experience an insider risk crisis in a highly competitive and time sensitive environment.

### Workshops

Off the shelf, Insider Risk Workshops that can be tailored towards different industries and all types of audiences. Additionally, we build custom training & awareness plans to help your organisation kickstart your journey towards a more secure future.

---

Our Workshops & Training offerings are the first of its kind. Building awareness and developing mastery in Insider Risk. **Safeguard your organisation against internal threats by investing in your teams' resilience.**
